

Will adds more Horse Power

Gloucestershire car dealer Will Paget Car Centre has teamed up with Horsebox and Trailer dealer Gerry King to provide a sales outlet for the equine community in Gloucester and surrounding areas for the increasingly popular Equi-Trek Brand.

Kings Equestrian Bromyard has been main dealers for Equi-Trek Horsebox and Trailers for some time and has supplied Will with various products for his clients. Owner Gerry King said "It made perfect sense to widen our territory to give a better service to those wanting our products from further field and with Wills knowledge of horses and transport of all kinds we look forward to a prosperous relationship with him."

Equi-Trek manufacture a wide range of horse trailers and horseboxes from 3.5t for 17 year old new drivers to 9 Horse HGV's , all of which are available brand new to order or immediately from a selection of new stock from Equi-Trek Hereford and Gloucester where Gerry or Will can help provide you with Horse transport to meet your requirements.

When will was asked what made him go with Equi-Trek, he replied," A quality product representing excellent value for money, which is an essential factor when I supply cars. I like the idea of trailers with a living area, but love the Equi-Trek Sonic 3.5 tonne Horse box that appeals to 17 year olds freeing up their parents weekends at last, but can also be a safe, low running cost alternative for even a professional rider." He added, " I have been around horses all my life and have been selling tow vehicles for years, so it makes sense really to help out customers with the right trailer or box as well."
